### COVID-19 Vaccines

- The Washoe Tribal Health Center received its first shipment of the Pfizer vaccine several days ago and has used it to vaccinate staff who are serving the community. They will be receiving shipments targeted to reach the entire Hung-A-Lel-Ti community in the days to come. Please watch for details!
- Alpine County Health Department is expecting to receive the Moderna vaccine next week following the expected final approvals of this vaccine by the FDA and other scientific bodies this weekend. We are preparing to vaccinate persons in Phase 1A – see the link at the bottom for more details.

**MEDICAL EXPERTS ENDORSE COVID-19 VACCINES**

**YOUR SAFETY IS A PRIORITY:**  
CA's top medical experts have validated that the vaccines are safe and effective.

**ACCESS WILL BE FAIR:**  
Vaccines will be provided at no cost and will be widely available later in 2021 through a phased plan based on risk and exposure levels.

**VACCINATION HELPS END THE PANDEMIC:**  
Getting vaccinated will help us reopen the economy and relieve severely impacted hospitals and communities.
