

## Contact List for Approved Bear Box Providers

Contractors on the below list have submitted a statement of qualifications to the Alpine County Community Development Department and obtained necessary licenses. Community Development Department staff have approved of the bear-proof enclosures being provided by each company. Inclusion in this list assumes that the enclosure will be installed in accordance with the requirements of Alpine County Code, especially those specified in Chapter 13.12 Solid Waste Collection. It is further understood that any enclosure may be removed from the list if found to be inadequate.
